

Fun with Fruits

By: Lydia Lukidis

Cammie loves to eat peaches
Because they are so sweet
She also likes plums and pineapples
These are her favourite fruits to eat.

She eats fruits all day long
From morning until night,
For breakfast, lunch and dinner,
She always wants another bite.

Today she had pancakes
Topped with syrup and blueberries.
Then she had a banana split
Covered in fresh strawberries.

Yum....

Not only are fruits healthy and nutritious,
But they are also yummy and delicious!

True or False?

1. Strawberries are the only fruit where the seeds grow on the outside.
2. Oranges do not contain vitamin C.
3. If you put a banana in the fridge, the skin will blacken.
4. Pumpkins grow in trees.
5. Apples can only be red or green.
