

Our poor gardener, Brian can't quite work out who's been eating his vegetables... What a mess!

Can you find the naughty little critters and count how many there are?
Why not color them in while you're at it?!

Rabbits = _____

Caterpillars = _____

Slugs = _____

Snails = _____

TOTAL = _____

Little Bo Peep has found her sheep,
But now the poor girl's lost her jeep!

Can you help her find it?

Trace along the lines to find out which one
leads to Bo's jeep, A, B or C?

So busy we've been finding her car,
Two naughty sheep have wandered too far!

Which lines lead to the naughty sheep?

Answers: The jeep is at the end of line 'A' The sheep are at the end of lines 'B' and 'C'
